Dr. Bonder advised the Board the reason his license was placed on probation. He stated about three (3) years ago he tried to restrain a cat and it bit him. In trying to get the cat to release, he swung it, it hit its head and died. Dr. Bonder stated it was poor judgment he should have anesthetized the cat and this is what he does now. Dr. Bonder stated he suspended his practice for one and half (1 1/2) years and he has attended an anger management class.
